PITTSBURG, Aug. 22.-A scheme block the Wabash from the big mill district of the south side came to light when it was announced that line from Carson street to the Monon-ahela River.

a line from Carson street to the Monongaheia River.

The distance is less than one hundred
yards, but the line traverses ground that
the Wabash must cross if it is to reach
one of the two most important freight
centres of the city. The new company
was chartered at Harrisburg some time
ago, but the fact was not made public.

The new line will be located on the
property of the Henderson-Johnston
Company, a warehouse firm. G. W. C.
Johnston, of the firm, is prominently
identified with the River and Raliroad
Terminal Company, a warehouse syndicate proposition. The construction of
the line would completely bar the en-

rerminal Company, a warehouse syndi-cate proposition. The construction of the line would completely bar the en-irance of the Wabash to the upper south side, he said.

The Pittsburg and Lake Eric officials, who have been heading the fight against the Wabash lately, deny all knowledge of the new road.

NEW WHISKEY TRUST.

A plan is on foot, with leading dis-tillers and whiskey men pushing it, to organize another whiskey combine. It is claimed that the outside distillers of tilleries of Ohio, Indiana and Illinois can be brought together, and that good out making the capitalization nearly as great as the recent \$16,000,000 bond issue of the trust. What is currently known is the Greenbaum plan is considered, and plants only to be purchased, not the manual trust in the original owners of the distilleries are thus to be made permanent customers and affording an outlet for goods, which, it is claimed, the trust has not. The plan further includes interesting leading jobbers in the country. out making the capitalization nearly as
